

# Candidate Information Bulletin

## STATE OF UTAH Professional Geologist

### Examinations

- Fundamentals of Geology Examination (FG)
- Practice of Geology Examination (PG)

### Licensure Process

To obtain a Utah Professional Geologist license, you must meet certain educational and experience requirements. This information is outlined in the license application available at [www.dopl.utah.gov/licensing/forms/013.doc](http://www.dopl.utah.gov/licensing/forms/013.doc) or from Thomson Prometric, 1260 Energy Lane, St. Paul, MN 55108, 800.881.4214.

Upon completion of all licensure requirements, except passing the Fundamentals of Geology (FG) and/or the Practice of Geology (PG) examination(s), submit a completed application for licensure to:

By U.S. Mail

**Division of Occupational and Professional Licensing**  
P.O. Box 146741  
Salt Lake City, UT 84114-6741

By Delivery or Express Mail

**Division of Occupational and Professional Licensing**  
160 East 300 South, 1<sup>st</sup> Floor, Main Lobby  
Salt Lake City, UT 84111

Eligibility to sit for a license qualification examination is determined by the state of Utah, Division of Occupational and Professional Licensing. For detailed information about eligibility requirements, write, phone or download the information from the Internet:

**State of Utah**

**Department of Commerce**

**Division of Occupational and Professional Licensing**  
160 East 300 South, 1<sup>st</sup> Floor, Main Lobby  
Salt Lake City, UT 84111  
801.530.6628  
[www.dopl.utah.gov](http://www.dopl.utah.gov)

Licensure application may also be obtained by contacting:

**Thomson Prometric**  
**ATTN: UT Geologist**  
1260 Energy Lane  
St. Paul, MN 55108  
800.881.4214  
[www.experioronline.com](http://www.experioronline.com)

### Examination Registering Process

After you have applied for licensure with the Division of Occupational and Professional Licensing and have received approval from the Division to test, return your completed exam registration form, fees and Approval Letter to:

**Thomson Prometric**  
**ATTN: UT Geologist**  
1260 Energy Lane  
St. Paul, MN 55108  
800.881.4214  
[www.experioronline.com](http://www.experioronline.com)

Thomson Prometric must *receive* the registration and fee(s) by the deadline date.

### 2006 Examination Dates

<u>Examination Date</u>	<u>Registration Deadline Date</u>
Mar 03, 2006	Jan 17, 2006
Oct 06, 2006	Aug 21, 2006

### Special Test Consideration

If you require testing accommodations under the *Americans with Disabilities Act* (ADA), please call Thomson Prometric at 888.226.9406 to obtain an Accommodation Request Form. Reasonable testing accommodations are provided to allow candidates with documented disabilities, which are recognized under the *Americans with Disabilities Act* (ADA), an opportunity to demonstrate their skills and knowledge. Candidates should submit professional documentation of the disability with their application to help determine the necessary arrangements. Sixty days' advance notice is required for all testing arrangements. There is no additional charge for these accommodations.

**Note:** If English is your second language, a language barrier is not considered a disability.

### Examination Fees

Fundamentals of Geology (FG)	<b>\$165</b>
Practice of Geology (PG)	<b>\$190</b>

**ALL EXAMINATION FEES ARE NONREFUNDABLE AND NONTRANSFERABLE.**

## **Examination Descriptions**

The examinations are closed-book. No references are permitted. A silent, non-printing, non-alpha programmable calculator is allowed. A protractor, straight edge, engineer's scale, and colored pencils should be brought to the examination, as they may be useful for some questions.

A study guide is available from the National Association of State Boards of Geology's Web site at [www.asbog.org](http://www.asbog.org).

Examination scores will be mailed approximately 60 days following the examination.

## **Fundamentals of Geology Exam**

The Fundamentals of Geology examination consists of 110 multiple-choice questions. You will be given four hours to complete this exam.

Candidate knowledge will be assessed in the areas of:

1. Field Methods & Remote Sensing
2. Mineralogy, Petrology, Petrography & Geochemistry
3. Sedimentology, Stratigraphy & Paleontology
4. Geomorphology
5. Structural Geology & Tectonics
6. Geophysics & Seismology
7. Hydrogeology
8. Engineering Geology
9. Mineral, Petroleum & Energy Resources

## **Practice of Geology Exam**

The Practice of Geology examination consists of 80 multiple-choice questions. You will be given four hours to complete this exam.

Candidate knowledge will be assessed in the areas of:

1. Field Methods & Remote Sensing
2. Mineralogy, Petrology, Petrography & Geochemistry
3. Sedimentology, Stratigraphy & Paleontology
4. Geomorphology
5. Structural Geology & Tectonics
6. Geophysics & Seismology
7. Hydrogeology
8. Engineering Geology
9. Mineral, Petroleum & Energy Resources
